# Phi Theta Kappa

September 9, 1986

Dr. Eddie Smith, President  
East Central Junior College  
Decatur, MS 39327

Dear Dr. Smith:

Because you served as president of Theta Xi Chapter of Phi Theta Kappa and because you are now President of East Central Junior College, the home of that chapter, you are a special person in this national junior college organization. In light of your special accomplishments, I would like to appoint you PTK's Mississippi-Tennessee-Louisiana Regional Presidential Ambassador. You honor our organization by your presence, and we feel you would be an excellent representative of our group, since you know the fraternity so well.

If you accept this honor, we would appreciate if you would take it upon yourself to consider these duties:

1. To act as liaison to other junior college presidents in our region. (Our chapters require their support!)
2. To be a Phi Theta Kappa ambassador in any way you see fit.
3. To contact the National Office in Canton about any innovative ideas you might have concerning this organization.
4. To spread the word about us as much as possible.
5. To serve in any capacity upon which we might call you.

On a personal note, I would like to thank you for participating on the Leadership Conference program at Roosevelt State Park. I am proud that I became a member of PTK through Theta Xi Chapter; I cherish my two years at ECJC and in Decatur. I am happy you are the new President. I know Ann Burkes thinks the world of you, and I predict Dr. Shelby Harris will be an excellent new advisor. Those two are special people to me, and I look forward to meeting you soon.

Thank you for all you have done for Phi Theta Kappa.

Sincerely yours,  
(and PTK hugs)
